Other news and updates

In general November has been a quieter month crime wise, though I'm sure that the residents of Tewin Wood would disagree. Unfortunately several properties have been targeted by burglaries. These seem to be linked to many offences which have taken place in Digswell and Welwyn.

Hare coursing and Poaching has been occurring all over the East Herts rural area again. A lot of damage has been caused to crops. Arrests have been made, cars and dogs seized.

Please remember to be vigilant around Christmas activities. Make sure your home and car are secure....don't leave items in your vehicle as it is an open invitation to opportunist thieves.

The residents of Watton at Stone have been subject to some anti social behaviour, the children responsible have been identified and parents spoken to. Please make sure that any further incidents are logged with us.

If you need to report a crime in progress, please call 999, for all others please use 101 or online reporting <https://www.herts.police.uk/ro/report/ocr/af/how-to-report-a-crime/> Social media is great for alerting your friends and neighbours to local issues but please let us know so that we can deal with the issues.

The Herts Connected system delivers Hertfordshire police's crime alerts. Registered local residents can receive the latest crime or emergency updates and alerts, as well as information about policing events in your area. Local residents can get involved in helping to make their local area a safer place, tell us what police should be doing in their area, shape the initiatives that help to keep people and property safe, and tell us what matters are causing local communities harm.

The more residents that register, the better informed and safer our communities will be. We would be most grateful if you could continue to share the link below in any parish communications, and especially on social media, to encourage as many local residents as possible to sign up.

The constabulary are particularly keen for local people to give us feedback on policing via the Herts Connected surveys. We will be looking to set our policing priorities for the upcoming quarter and would very much appreciate if you could share the link and QR code below on social media:-
