Other news and updates:

The Neighbourhood Policing Team have conducted several operations recently over the past month for Rural priorities.

OPERATION QUANDRO continued for 5 night shifts in December. Officers changed their shifts to work later into the night, stopping vehicles and suspects of interest, and following leads from relevant intelligence reports.

OP GALILEO operation patrols of rural area's to combat hare coursing and poaching

OP TURKEY a localised operation over 6 shifts for reassurance patrols at turkey farms as we headed into the festive period.

There has been an increase in vehicle crime in High Wych, which is covered by our colleagues from Bishops Stortford and Sawbridgeworth NPT. However, being so close to some of the villages we patrol, we would like to remind residents to ensure their vehicles are locked securely, personal items removed from sight and faraday pouches used for keyless entry vehicles.

The Local NPT have been involved in the Christmas festivities too, providing public reassurance at The Buntingford Christmas Lights and Brent Pelham Christmas Fayre.

The East Herts Rural NPT also conducted an Emergency Services Carousel demonstration along with HFRS and First Responders at St Edmunds College for 6th formers. The demonstration included a scenario of a vehicle accident in which HFRS removed the top of a vehicle followed by a powerful presentation on driver safety.

The constabulary are particularly keen for local people to give us feedback on policing via the Herts Connected surveys. We will be looking to set our policing priorities for the upcoming quarter and would very much appreciate if you could share the link and QR code below on social media:-

<https://bit.ly/hertspolice-psf>

If you need to report a crime in progress, please call 999, for all others please use 101 or online reporting <https://www.herts.police.uk/ro/report/ocr/af/how-to-report-a-crime/>

The Herts Connected system delivers Hertfordshire police's crime alerts. Registered local residents can receive the latest crime or emergency updates and alerts, as well as information about policing events in your area. Local residents can get involved in helping to make their local area a safer place, tell us what police should be doing in their area, shape the initiatives that help to keep people and property safe, and tell us what matters are causing local communities harm.

The more residents that register, the better informed and safer our communities will be. We
